

COLLEGE STUDENT HANDBOOK

CHAPTER 1: COLLEGE OVERVIEW

Welcome to the College Student Handbook. This handbook contains academic policies, student regulations, examination procedures, placement guidelines, hostel rules, and other information relevant to students.

The college was established with the objective of providing quality education and fostering innovation among students.

The institution aims to develop technically competent, socially responsible, and ethically grounded graduates.

Students are expected to maintain discipline and uphold the reputation of the institution.

The academic year is divided into odd and even semesters.

Each semester consists of instructional days, assessment periods, and examination schedules.

The college encourages active participation in academic and extracurricular activities.

Students are advised to regularly check official notices and announcements.

The college administration reserves the right to modify policies whenever necessary.

All students are required to comply with institutional rules.

CHAPTER 2: ADMISSION POLICY

Admission is granted based on eligibility criteria prescribed by regulatory authorities.

Students must submit valid academic documents during admission.

Providing false information may result in cancellation of admission.

Students must complete fee payment within the specified deadlines.

Transfer certificates must be submitted before the commencement of classes.

The admission process shall be transparent and merit-based.

Management reserves the right to reject applications that do not satisfy requirements.

International students must comply with additional documentation requirements.

Students should preserve admission receipts for future reference.

Identity cards will be issued after successful admission.

CHAPTER 3: ATTENDANCE POLICY

Students must maintain a minimum attendance of 75 percent in each course.

Attendance will be monitored regularly by faculty members.

Students with attendance below the required percentage may be barred from examinations.

Medical leave must be supported by valid documentation.

Students are responsible for tracking their attendance records.

Attendance shortages may be condoned only under exceptional circumstances.

Participation in approved college activities may be considered for attendance relaxation.

Repeated absenteeism may result in disciplinary action.

Faculty advisors shall review attendance performance periodically.

Students should report discrepancies in attendance immediately.

CHAPTER 4: LEAVE POLICY

Leave applications must be submitted through the department office.

Emergency leave requests should be communicated to faculty advisors.

Medical leave requires submission of medical certificates.

Students should apply for leave in advance whenever possible.

Unauthorized absence may affect attendance eligibility.

Leave approval is subject to institutional regulations.

Students participating in official events may receive attendance consideration.

Long-term leave requests require approval from the Head of Department.

Parents may be contacted in case of extended absence.

All leave records shall be maintained by the department.

CHAPTER 5: EXAMINATION RULES

Students must carry valid identity cards during examinations.

Mobile phones are prohibited inside examination halls.

Students should arrive at least thirty minutes before examinations.

Late entry may not be permitted after a specified duration.

Malpractice during examinations will result in disciplinary action.

Students must follow invigilator instructions at all times.

Answer scripts should be submitted before leaving the examination hall.

Electronic devices are not permitted unless specifically authorized.

Students must verify question paper details before starting.

Examination results will be published through official channels.

CHAPTER 6: LIBRARY RULES

The college library contains academic books, journals, and digital resources.

Students can borrow up to three books simultaneously.

Books must be returned within fourteen days.

Late returns may attract penalties.

Library membership is mandatory for borrowing privileges.

Students should maintain silence within library premises.

Damaged books must be reported immediately.

Reference books cannot be issued for home use.

Library cards are non-transferable.

Students must comply with librarian instructions.

CHAPTER 7: COMPUTER LAB RULES

Students should use laboratory resources responsibly.

Unauthorized software installation is prohibited.

Internet access is intended for academic purposes.

Food and beverages are not permitted inside laboratories.

Students should log out after completing sessions.

Laboratory equipment must be handled carefully.

Any malfunction should be reported to staff immediately.

Personal storage devices should be scanned for viruses.

Students should follow cybersecurity best practices.

Laboratory timings must be strictly observed.

CHAPTER 8: HOSTEL RULES

Students residing in hostels must follow all hostel regulations.
Hostel accommodation is allotted on a yearly basis.
Students must occupy only their assigned rooms.
Room changes require prior approval from the hostel warden.
Hostel residents must maintain cleanliness in their rooms.
Damaging hostel property is strictly prohibited.
Students are responsible for safeguarding personal belongings.
Visitors are allowed only during approved visiting hours.
Unauthorized guests are not permitted inside hostel rooms.
Hostel gates will close at 9:00 PM on regular days.
Late entry requires written permission from the warden.
Consumption of alcohol and narcotic substances is prohibited.
Ragging in any form is strictly forbidden.
Students must maintain silence during study hours.
Electrical appliances such as heaters and induction stoves are prohibited.
Students should conserve water and electricity.
Complaints regarding facilities should be reported immediately.
Hostel fees must be paid before the specified deadline.
Emergency contact details must be updated regularly.
Hostel authorities reserve the right to inspect rooms.

CHAPTER 9: MESS RULES

The college mess provides hygienic and nutritious food.
Students should maintain discipline in the dining area.
Food wastage should be avoided.
Students must follow designated meal timings.
Outside food is discouraged inside the mess hall.
Students should use utensils responsibly.
Mess committees may collect feedback periodically.
Complaints regarding food quality should be submitted formally.
Students should stand in queues while collecting food.
Unauthorized entry into kitchen areas is prohibited.
Mess fees must be paid on time.
Special dietary requests may be considered when feasible.
Students should maintain cleanliness after meals.
Furniture and equipment should not be damaged.
Meal schedules may be revised during holidays.
Students should respect mess staff members.
Proper dress code must be followed.
Noise levels should be kept minimal.

Water should be used responsibly.
Mess management decisions shall be final.

CHAPTER 10: TRANSPORT FACILITIES

College buses operate on approved routes.
Students must carry transport identity cards.
Bus fees should be paid before deadlines.
Students should arrive at pickup points on time.
Bus timings must be strictly followed.
Standing on footboards is prohibited.
Students should not distract drivers.
Damage to transport property may result in penalties.
Students must maintain discipline while traveling.
Bus routes may be modified when necessary.
Complaints should be directed to transport coordinators.
Students should respect fellow passengers.
Emergency exits must remain unobstructed.
Food consumption may be restricted in buses.
Students should avoid unnecessary noise.
Transport services may be suspended during emergencies.
Lost items should be reported immediately.
Students should follow safety instructions.
Seat reservations are not guaranteed.
Transport department decisions shall be final.

CHAPTER 11: PLACEMENT CELL

The placement cell assists students in career development.
Training programs are conducted regularly.
Students should register with the placement cell.
Resume preparation workshops are organized.
Mock interviews are conducted periodically.
Aptitude training sessions are provided.
Communication skill development programs are available.
Technical assessment preparation support is offered.
Students must maintain professionalism during recruitment.
Attendance in placement activities may be mandatory.
Placement opportunities depend on company requirements.
Students should verify eligibility criteria carefully.
Registration deadlines must be followed.
Students must provide accurate academic information.
Misrepresentation may lead to disqualification.

Offer letters should be acknowledged promptly.
Placement policies may vary between companies.
Internship opportunities may be coordinated through the cell.
Students should maintain proper communication with recruiters.
Placement cell decisions shall be respected.

CHAPTER 12: INTERNSHIP POLICY

Internships provide practical industry exposure.
Students are encouraged to complete internships annually.
Internship duration varies by program requirements.
Approval from department coordinators may be required.
Students should submit internship proposals.
Industry supervisors may evaluate performance.
Internship reports must be submitted on time.
Attendance during internships is mandatory.
Confidential company information should be protected.
Students must follow workplace ethics.
Internship completion certificates should be preserved.
Departments may conduct internship reviews.
Learning outcomes should be documented.
Students should communicate regularly with mentors.
Internship credits may contribute to academic evaluation.
Unauthorized internships may not be recognized.
Safety regulations must be followed.
Professional conduct is expected.
Internship opportunities may be provided by industry partners.
Students should maximize learning experiences.

CHAPTER 13: PROJECT GUIDELINES

Projects should address meaningful problems.
Students must obtain faculty approval.
Project proposals should be submitted on time.
Teams should follow assigned project schedules.
Proper documentation is mandatory.
Plagiarism is strictly prohibited.
Regular progress reviews will be conducted.
Students should maintain project logs.
Final reports must follow prescribed formats.
Presentations should be prepared professionally.
Originality is encouraged.
Industry collaboration is welcomed.

Research ethics should be maintained.
References must be properly cited.
Data privacy requirements should be respected.
Software projects should include testing documentation.
Hardware projects should include design specifications.
Project evaluations are conducted by review committees.
Deadlines must be strictly followed.
Project outcomes should demonstrate learning objectives.

CHAPTER 14: SCHOLARSHIP POLICY

Scholarships support deserving students.
Merit-based scholarships recognize academic excellence.
Need-based scholarships assist financially challenged students.
Applications should be submitted within deadlines.
Supporting documents must be provided.
Scholarship eligibility criteria vary.
False information may result in cancellation.
Renewal requirements must be satisfied.
Students should maintain required academic performance.
Scholarship notifications are published officially.
Government scholarships may have separate procedures.
Private scholarships may require additional documentation.
Students should verify application status regularly.
Funds are disbursed according to regulations.
Scholarship recipients must comply with conditions.
Academic misconduct may affect eligibility.
Departments may assist with applications.
Students should preserve scholarship records.
Scholarship opportunities may change annually.
Institutional decisions shall be final.

CHAPTER 15: ANTI-RAGGING POLICY

The institution follows a zero-tolerance approach to ragging.
Ragging is a punishable offense.
Students should report incidents immediately.
Anonymous complaints may be accepted.
Awareness programs are conducted regularly.
Anti-ragging committees monitor activities.
Senior students should support juniors positively.
Physical harassment is strictly prohibited.
Verbal abuse is strictly prohibited.

Psychological harassment is strictly prohibited.
Cyberbullying is not permitted.
Violations may result in suspension.
Serious offenses may lead to expulsion.
Parents may be informed of violations.
Legal action may be initiated when necessary.
Students must sign anti-ragging declarations.
Hostel areas are monitored regularly.
Faculty members provide guidance and support.
Student safety remains a top priority.
Institutional decisions shall be enforced.

CHAPTER 16: SPORTS FACILITIES

The college encourages sports participation.
Various indoor and outdoor facilities are available.
Students may join sports teams.
Coaching support is provided.
Intercollegiate competitions are encouraged.
Practice schedules should be followed.
Sports equipment should be handled responsibly.
Damaged equipment must be reported.
Fitness activities promote well-being.
Students should maintain sportsmanship.
Selection trials may be conducted.
Athletes should balance academics and sports.
Participation certificates may be awarded.
Sports events are organized annually.
Students should follow safety guidelines.
Ground maintenance should be respected.
Team discipline is essential.
Health assessments may be conducted.
Sports scholarships may be available.
Physical fitness contributes to overall development.

CHAPTER 17: CLUBS AND ASSOCIATIONS

Student clubs enhance learning opportunities.
Membership is open to interested students.
Technical clubs organize workshops.
Cultural clubs promote artistic activities.
Literary clubs encourage communication skills.
Entrepreneurship clubs support innovation.

Club activities require faculty supervision.
Students should actively participate.
Leadership opportunities are available.
Events should be organized professionally.
Club funds must be utilized responsibly.
Reports should be submitted after events.
Interdepartmental collaboration is encouraged.
Students should respect diversity.
Community service activities are supported.
Innovation challenges may be organized.
Networking opportunities are provided.
Club achievements may receive recognition.
Participation enhances personal growth.
Students should contribute positively.

CHAPTER 18: RESEARCH ACTIVITIES

Research promotes innovation and knowledge creation.
Students are encouraged to participate in research.
Faculty mentors guide research projects.
Ethical standards must be followed.
Research proposals require approval.
Publications should maintain originality.
Plagiarism is prohibited.
Research data should be documented properly.
Collaborative projects are encouraged.
Funding opportunities may be available.
Research presentations are supported.
Students should attend conferences when possible.
Patent development is encouraged.
Industry-linked research is promoted.
Research outcomes should benefit society.
Laboratory safety procedures must be followed.
Confidential information should be protected.
Research records should be maintained.
Academic integrity is essential.
Continuous learning should be encouraged.

CHAPTER 19: CODE OF CONDUCT

Students should behave respectfully at all times.
Academic integrity must be maintained.
Respect for faculty and staff is expected.

Respect for fellow students is mandatory.
Harassment is prohibited.
Discrimination is prohibited.
Violence is prohibited.
Students should follow institutional policies.
Identity cards should be carried at all times.
Dress codes should be followed.
Campus property must be protected.
Environmental responsibility is encouraged.
Students should avoid disruptive behavior.
Professional communication is expected.
Social media usage should be responsible.
Compliance with laws is mandatory.
Honesty should guide all actions.
Students represent the institution positively.
Disciplinary measures may apply for violations.
Good conduct contributes to a healthy campus environment.

CHAPTER 20: GRIEVANCE REDRESSAL

Students may submit grievances formally.
Complaints should include relevant details.
Confidentiality will be maintained when possible.
Grievance committees review submissions.
Timely resolution is prioritized.
Students should provide accurate information.
Anonymous complaints may be reviewed.
Harassment concerns receive immediate attention.
Academic grievances may be escalated.
Administrative grievances may be investigated.
Students should cooperate with inquiries.
Appeals may be submitted when necessary.
Documentation should be preserved.
Counseling support may be provided.
Grievance procedures should be followed.
Fairness and transparency are emphasized.
Committees operate impartially.
Recommendations may be implemented.
Feedback improves institutional processes.
Student welfare remains the priority.

CHAPTER 21: ACADEMIC CALENDAR

The academic calendar outlines important dates.
Semester commencement dates are published annually.
Registration periods must be observed.
Examination schedules are announced officially.
Holiday lists are published in advance.
Students should monitor academic deadlines.
Project submission dates are specified.
Internship schedules may be included.
Placement activities are scheduled periodically.
Research events may be announced.
Workshop schedules are communicated regularly.
Students should maintain awareness of updates.
Academic calendars may be revised.
Official notifications supersede previous schedules.
Parents may access relevant information.
Departments coordinate academic activities.
Time management is essential.
Students should plan effectively.
Attendance requirements remain applicable.
Academic success requires consistent engagement.

CHAPTER 22: STUDENT WELFARE

Student welfare services support overall development.
Counseling services are available.
Health awareness programs are conducted.
Mental wellness initiatives are encouraged.
Financial assistance options may exist.
Career guidance is provided.
Mentoring systems support academic success.
Students should seek assistance when needed.
Inclusive environments are promoted.
Student safety is prioritized.
Wellness campaigns are organized.
Community engagement opportunities are available.
Peer support networks are encouraged.
Emergency assistance procedures are established.
Students should maintain healthy lifestyles.
Physical fitness programs are promoted.
Stress management workshops are available.
Student feedback is valued.

Support systems enhance learning experiences.
Holistic development remains a key objective.

CHAPTER 23: INDUSTRY COLLABORATION

Industry partnerships enhance learning opportunities.
Guest lectures are organized regularly.
Industrial visits are encouraged.
Collaborative projects may be undertaken.
Industry mentors provide guidance.
Skill development programs are conducted.
Internship opportunities may arise from partnerships.
Research collaboration is encouraged.
Technology transfer initiatives may be supported.
Innovation centers promote entrepreneurship.
Industry certification programs may be offered.
Students should engage actively.
Professional networking opportunities are valuable.
Industry expectations should be understood.
Collaboration improves employability.
Practical exposure complements academic learning.
Corporate training sessions may be arranged.
Students should utilize available resources.
Partnerships strengthen educational outcomes.
Continuous collaboration benefits all stakeholders.

CHAPTER 24: ALUMNI RELATIONS

Alumni contribute to institutional growth.
Alumni networks provide career guidance.
Mentorship opportunities are encouraged.
Alumni events are organized periodically.
Success stories inspire current students.
Professional networking is supported.
Alumni may contribute to scholarships.
Industry connections benefit students.
Knowledge sharing is encouraged.
Alumni engagement strengthens the community.
Departments maintain alumni records.
Collaborative initiatives may be developed.
Students should remain connected after graduation.
Alumni feedback supports improvement.
Recognition programs may be organized.

Entrepreneurial alumni may mentor students.
Research collaboration opportunities may arise.
Institutional pride is promoted.
Strong alumni relations enhance reputation.
Lifelong engagement is encouraged.

CHAPTER 25: FREQUENTLY ASKED QUESTIONS

What is the minimum attendance requirement?
The minimum attendance requirement is 75 percent.

How many books can students borrow?
Students can borrow up to three books.

Is ragging allowed on campus?
No, ragging is strictly prohibited.

Can students participate in placement drives?
Yes, eligible students may participate.

Are internships mandatory?
Internships may be required depending on program regulations.

Can students apply for scholarships?
Yes, eligible students may apply.

What is the hostel curfew time?
The hostel curfew time is 9:00 PM.

Can mobile phones be used during examinations?
No, mobile phones are prohibited.

How can grievances be submitted?
Students may submit grievances through official channels.

Where can students obtain academic information?
Students should refer to official college communications.
